APPLYING

- I am turning 62 in six months. Can I apply?
No. You must be 62 when you apply. You must be age eligible at the time we receive your application.
- How do you know that I'm eligible?
Initially from the information you provide on your application. When your name comes up on the wait list, you will be required to provide current documentation on all assets and income to verify income eligibility as well as verification of age and social security number.
- Can I stop by for a tour?
You are welcome to drive and walk through the community at your convenience, but we do not have vacant apartments available to see and do not provide tours.
- If I filled out an application for an apartment at Ridge Oak (garden style apartments) and/or Ridge Oak III 129/214 Manchester Drive, will this Ridge Oak II application be used to also put my name on the wait list at Ridge Oak and Ridge Oak III?
No. Because each facility has its own unique federal rent subsidy, we must maintain separate wait lists for each. Therefore, separate applications are required and are only accepted if the respective wait list is open.
- Can I be on the wait list for Ridge Oak, Ridge Oak II and Ridge Oak III?
Yes. If the wait list is open AND you have submitted a respective application AND you are age and income eligible, you can be on more than one list at the same time.
- If my house is not sold or rented, can I still move in to Ridge Oak II?
Yes, if you meet the eligibility requirements AND Ridge Oak II must be your primary residence AND you must move into your apartment within 60 days of signing the lease. As per the lease, you are only allowed to be away/overnight from your apartment for 60 days in a calendar year.
- Is the money I receive from the sale of my house considered income? What if I rent out my house?
Sale proceeds are considered an asset. Rental income is considered income. Either must be reported to us as soon as the property/residence is sold or rented.

WAIT LIST

- What happens after I submit my application to Ridge Oak II?
We will attempt to reach the applicant by email or phone to let you know that the application is in the office. The application will then be reviewed for completeness.
